Dear Business Owner,

Joliet West High School's musical production of A Killer Party, will be presented in April, 2021. Joliet West has a rich history of producing outstanding musical productions featuring very talented local students, and despite Remote Learning, this year will be no exception!

The Joliet West Choral Program thanks you for your support in past years and hopes for your continued support. **Would you please consider placing an ad in our show program?** Your donation is tax-deductible as we are a 501(c3)(3) organization. To meet our unique needs of this school year; A Killer Party has been cast, rehearsed, and will be presented, VIRTUALLY this year! See your business named for all viewers in the end credits of the show! Your ad will be set in our online Playbill, sent to all patrons, with an added benefit of all advertisements being in color. Additionally, we will promote your sponsorship through Social Media, including your ads and hyperlinks to your business pages/sites if provided.
